Memorandum of Understanding
July 2013

The Memorandum of Understanding is agreed to by the following parties:

All parties have agreed to a renewed Memorandum of Understanding (MOU) regarding the West Coast Multiplex. The original MOU was agreed to in 2009.

The West Coast Multiplex will be located at the Long Beach Airport in the Alberni-Clayoquot Regional District. Phase one of the West Coast Multiplex consists of the following:

- NHL size ice surface
- Multipurpose area for fitness and community gathering, with connections to the outside for expanded use
- Informal gathering area with seating for the general public and facility users direct visibility from the lobby into the arena
- Administration/centralized reception and control station to accommodate staff and provide controlled entry
- An opportunity for expansion for future community needs, possibly an aquatic facility

The foregoing parties agree to the following:

- The Westcoast Multiplex Society will fundraise capital costs for Phase one of the Westcoast Multiplex and may, on specific grant applications, request assistance of local governments and First Nations.
- Individual local governments or First Nations may directly participate on committees of the West Coast Multiplex Society to assist with fundraising, programming, and other planning activities subject to their capacity and desire.

Together, with renewed commitment to move forward with capital fundraising, we can achieve the goal of having a Multiplex on the West Coast.

Thank you for your commitment.
